

A bride and groom are walking together on a paved path. The groom is on the left, wearing a black tuxedo with a white shirt and a black bow tie. The bride is on the right, wearing a white, strapless, floor-length wedding dress with a long train and a white veil. They are both smiling and looking towards each other. In the background, there is a large, multi-story brick building with several windows, and tall trees are scattered around the property. The sky is overcast.
